## Message From President

It gives me immense pleasure to extend a warm welcome to all delegates to the Annual State Conference of IRIA Rajasthan. Over the past year, our chapter has witnessed remarkable academic vibrancy with high-quality CMEs, workshops, and a truly fabulous Midterm CME that reflected our collective commitment to excellence. Multiple outreach programs conducted at Bhilwara, Kota, Ganganagar and other regions have successfully taken academic radiology to the grassroots, strengthening professional bonds across the state. The rapid and relentless advances in imaging technology have been excruciatingly shaping our practice, and our chapter has proactively embraced these changes for the upliftment of our fraternity. I am proud of the unity, enthusiasm, and academic rigor shown by radiologists across Rajasthan. This conference stands as a celebration of learning, collaboration, and progress. I wish the conference grand success and meaningful academic deliberations for all.

## Message From Secretary

It is a privilege to present this message on the occasion of the Annual State Conference of IRIA Rajasthan. The past year has been academically enriching, marked by multiple CMEs, focused teaching programs, and an outstanding Midterm CME that received overwhelming participation. Our outreach initiatives in Bhilwara, Kota, Ganganagar and other centers have played a vital role in inclusive academic growth and member engagement. The ever-evolving landscape of imaging advances has been relentlessly influencing our daily practice, and our chapter has continuously worked to keep members updated and empowered. These collective efforts have significantly contributed to the professional upliftment of radiologists across Rajasthan. I sincerely thank all office bearers, faculty, and members for their unwavering support. I wish all delegates a highly rewarding and memorable conference.

## Message from the Forum Indian Radiological & Imaging Association – Rajasthan State Chapter

Medical imaging today stands at the very forefront of modern medicine, continuously transforming the way we diagnose, treat, and prevent disease. From conventional radiography to high-end cross-sectional imaging, molecular imaging, and image-guided interventions, each modality has expanded our clinical vision and improved patient outcomes. The integration of Artificial Intelligence into radiology is further redefining precision, efficiency, and workflow, enabling faster reporting, enhanced accuracy, and deeper insights into complex pathologies.

At the same time, radiologists in India carry a unique social responsibility. The strict and ethical implementation of the PCPNDT Act remains a national mission, playing a vital role in improving the sex ratio and safeguarding societal balance. The radiology fraternity of Rajasthan stands firmly committed to upholding this law in letter and spirit, reinforcing ethical practice and public trust.

This souvenir and newsletter serve as a mirror of the collective energy, academic zeal, and social commitment of our association over the past year. Through multiple CMEs, outreach programs, mid-term CMEs, and active participation in national conferences, our members have continuously enriched knowledge, skills, and professional bonding across the state. Such documentation is essential not only to record achievements but also to inspire future initiatives, ignite fresh ideas, and strengthen unity within the fraternity.

As imaging continues to evolve at a rapid pace, forums like IRIA Rajasthan State Chapter remain crucial in guiding, educating, and empowering radiologists to embrace innovation while remaining rooted in ethical and social responsibility. Together, we move forward—academically stronger, technologically advanced, and socially accountable.

**Shakti**  
WOMEN'S WING OF IRIA

THE INDIAN RADIOLOGICAL AND IMAGING ASSOCIATION (IRIA), RAJASTHAN STATE CHAPTER, THROUGH ITS ACTIVE SHAKTI WING (WOMEN'S WING), CONTINUES TO EXEMPLIFY A BALANCED COMMITMENT TO ACADEMIC EXCELLENCE AND SOCIAL RESPONSIBILITY. ON 8TH MARCH 2025, THE ASSOCIATION SUCCESSFULLY ORGANIZED A SOCIAL AWARENESS PROGRAM ON PERSONAL HYGIENE AT APNA GHAR ASHRAM, JAIPUR, WHERE IRIA MEMBERS SENSITIZED RESIDENTS ABOUT THE IMPORTANCE OF CLEANLINESS, PERSONAL HYGIENE, AND PREVENTIVE HEALTH PRACTICES, REFLECTING COMPASSIONATE COMMUNITY OUTREACH. COMPLEMENTING THIS SOCIAL INITIATIVE, IRIA RAJASTHAN ALSO CONDUCTED A CME ON WOMEN'S IMAGING AT SMS MEDICAL COLLEGE, JAIPUR, REINFORCING CONTINUOUS MEDICAL EDUCATION. FURTHER STRENGTHENING ITS ACADEMIC MISSION, THE SHAKTI WING OF IRIA RAJASTHAN, IN COLLABORATION WITH MAHAJAN IMAGING AND FORTIS ESCORTS HOSPITAL, ORGANIZED A BREAST IMAGING CME AND HANDS-ON WORKSHOP ON VACUUM-ASSISTED BREAST BIOPSY (VABB) ON 31ST AUGUST 2025 AT FORTIS ESCORTS HOSPITAL, JAIPUR. THE WORKSHOP FEATURED EXPERT FACULTY, LIVE DEMONSTRATIONS, AND HANDS-ON TRAINING IN ADVANCED BREAST BIOPSY TECHNIQUES, PROVIDING VALUABLE SKILL ENHANCEMENT FOR PARTICIPANTS. TOGETHER, THESE INITIATIVES HIGHLIGHT IRIA RAJASTHAN'S INTEGRATED APPROACH TOWARD PROFESSIONAL DEVELOPMENT, WOMEN EMPOWERMENT, AND MEANINGFUL SOCIAL ENGAGEMENT.

## Message from the Patron of Outreach Programs

THE IRIA RAJASTHAN CHAPTER HAS ACTIVELY STRENGTHENED RADIOLOGICAL EDUCATION THROUGH A SERIES OF WELL-STRUCTURED OUTREACH PROGRAMMES CONDUCTED ACROSS SMALL AND MID-SIZED TOWNS OF THE STATE DURING 2025, REFLECTING ITS VISION OF "MISSION – OUR IRIA: LEARNING IS LIFELONG." THE ACADEMIC JOURNEY BEGAN WITH THE WOMEN'S IMAGING OUTREACH PROGRAMME AT BHILWARA ON 22 MARCH 2025, WHERE FOCUSED SESSIONS ON DEEP INFILTRATING ENDOMETRIOSIS, OVARIAN TORSION, AND FETAL ECHOCARDIOGRAPHY ENHANCED PRACTICAL GYNECOLOGICAL AND FETAL IMAGING SKILLS AMONG LOCAL RADIOLOGISTS. THIS WAS FOLLOWED BY THE ULTRASOUND IMAGING OUTREACH PROGRAMME AT ALWAR ON 13 JULY 2025, WHICH BROADENED THE SCOPE TO INCLUDE FETAL GROWTH RESTRICTION, NEUROSONOGRAPHY, AND MUSCULOSKELETAL ULTRASOUND OF THE SHOULDER AND WRIST, EMPHASIZING PROTOCOL-BASED AND CASE-ORIENTED LEARNING. THE MOMENTUM CONTINUED WITH THE FETAL IMAGING OUTREACH PROGRAMME AT SRI GANGANAGAR ON 17 AUGUST 2025, DEDICATED ENTIRELY TO ADVANCED PRENATAL IMAGING, INCLUDING FIRST-TRIMESTER SCREENING, DOPPLER STUDIES, SAMRAKSHAN-BASED PREECLAMPSIA AND FGR SCREENING, AND CASE-BASED FETAL ECHOCARDIOGRAPHY, THEREBY SIGNIFICANTLY UPGRADING FETAL CARE PRACTICES IN THE REGION. THE ACADEMIC SERIES CULMINATED WITH THE BODY IMAGING OUTREACH PROGRAMME AT KOTA ON 26 OCTOBER 2025, WHERE DIVERSE TOPICS SUCH AS NT SCAN BEYOND BASICS, OCULAR ULTRASOUND, DEEP INFILTRATING ENDOMETRIOSIS, POSTERIOR FOSSA EVALUATION, AND SHOULDER IMAGING HIGHLIGHTED THE EXPANDING ROLE OF ULTRASOUND AS A COMPREHENSIVE DIAGNOSTIC TOOL. COLLECTIVELY, THESE OUTREACH PROGRAMMES UNDERSCORE THE CRITICAL IMPORTANCE OF CONTINUING ULTRASOUND EDUCATION (CUE) IN SMALL TOWNS, AS THEY ENSURE SKILL UPGRADATION, UNIFORM IMAGING STANDARDS, AND IMMEDIATE CLINICAL APPLICABILITY FOR RADIOLOGISTS WHO OFTEN WORK INDEPENDENTLY, WHILE SIMULTANEOUSLY IMPROVING PATIENT CARE, STRENGTHENING PROFESSIONAL NETWORKING, AND REDUCING THE ACADEMIC GAP BETWEEN METROPOLITAN AND PERIPHERAL HEALTHCARE SETTINGS.

Rajasthan State Chapter of IRIA  
Dec. 20-21, Udaipur (Raj.) India | Changing Trends in Radiology Practices & Education

WELCOME MESSAGE

Dear Esteemed Colleagues and Friends,  
Season's Greetings!

We are delighted to welcome you to the 32nd Annual Conference of Rajasthan State Chapter of the Indian Radiological & Imaging Association (IRIA) 2025. The conference is scheduled to take place at the City of Lake, Udaipur on December 20-21, 2025.

With its rich cultural heritage and rapid advancements in medical infrastructure, Udaipur provides an ideal setting for this prestigious academic event.

Our scientific committee is meticulously designing a comprehensive program to meet the needs of both experienced radiologists and aspiring residents.

This year's theme — "Changing Trends in Radiology Practices & Education" — reflects the evolving role of radiologists in modern clinical practice.

Renowned experts and thought leaders will share their insights through:

- Engaging lectures
- Demo workshops
- Innovative demonstrations
- Case Based Learning

In addition, faculties will have the opportunity to present their cutting-edge scientific research, making this a platform for both learning and showcasing academic excellence.

Udaipur, known for its warm hospitality, vibrant culture, and safety, offers the perfect environment for an enriching academic and social experience. The pleasant December weather adds to the charm of the city and the event.

Join us for a memorable conference that brings together knowledge, innovation, and professional camaraderie. We eagerly look forward to welcoming you and your esteemed colleagues to Rajasthan State Chapter of IRIA 2025.

Let us come together to learn, collaborate, and build lasting connections in the ever-evolving field of radiology.

Warm regards,

## MESSAGE FROM THE NEWSLETTER EDITOR

This souvenir is a collective reflection of the academic spirit, unity, and tireless efforts of the IRIA Rajasthan fraternity.

I sincerely acknowledge every member, faculty, office bearer, and contributor whose dedication made this year academically vibrant and socially meaningful.

The CMEs, outreach programs, workshops, and conferences showcased here stand as milestones of shared commitment and teamwork.

This newsletter would not have been possible without your enthusiasm, cooperation, and belief in lifelong learning.

Together, you have strengthened IRIA Rajasthan—academically stronger, ethically grounded, and future ready. JAI HIND.
